

# MAT-MATE

by Superior Attachments Inc.

- ◆ *Mat-Mate powers off organic material at a rate that normal scraping cannot match.*
- ◆ *Better removal of organic material means mats will dry quicker.*
- ◆ *Drier and cleaner mats lower bacterial growth.*
- ◆ *Skid Steer Universal mounting plate.*
- ◆ *One set of hydraulic couplers runs Mat-Mate's rotary brush and operates the boom.*
- ◆ *Optional sprayer attachment applies disinfectant to the brushed areas.*
